

## Social Issues Spotlight: Digital Inclusion

### Sources and notes

1. **Over 11 million people in the UK are digitally excluded**, Good Things Foundation, *Digital Inclusion*, <https://www.goodthingsfoundation.org/areas-of-work/digital-inclusion>
2. **Groups likely to face digital exclusion include those on low incomes, older people and people with disabilities**, ONS, *Exploring the UK's Digital Divide*, <https://www.ons.gov.uk/peoplepopulationandcommunity/householdcharacteristics/homeinternetandsocialmediausage/articles/exploringtheuksdigitaldivide/2019-03-04>
3. **90% of households are now online**, ONS, *Internet access – households and individuals, Great Britain: 2019*, <https://www.ons.gov.uk/peoplepopulationandcommunity/householdcharacteristics/homeinternetandsocialmediausage/bulletins/internetaccesshouseholdsandindividuals/2019>
4. **22% of UK adults do not have the basic digital skills to use the internet effectively**, Lloyds Bank, *Lloyds Bank UK Consumer Digital Index 2020*, <https://www.lloydsbank.com/banking-with-us/whats-happening/consumer-digital-index.html>
5. **Over half of those who do not use the internet lack the motivation to get online**, Good Things Foundation, *Digital Motivation: Exploring the reasons people are offline*, [https://www.goodthingsfoundation.org/sites/default/files/digital\\_motivations\\_final.pdf](https://www.goodthingsfoundation.org/sites/default/files/digital_motivations_final.pdf)
6. **Digital exclusion can lead to poorer health outcomes**, NHS, *Why digital inclusion matters to health and social care*, <https://digital.nhs.uk/about-nhs-digital/our-work/digital-inclusion/digital-inclusion-in-health-and-social-care#:~:text=In%20an%20increasingly%20digital%20world,the%20skills%20to%20use%20it.>
7. **82% of roles require digital skills to perform them**, Department for Digital, Culture, Media and Sport, *No Longer Optional: Employer Demand for Digital Skills*, [https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\\_data/file/807830/No\\_Longer\\_Optional\\_Employer\\_Demand\\_for\\_Digital\\_Skills.pdf](https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/807830/No_Longer_Optional_Employer_Demand_for_Digital_Skills.pdf)
8. **Low income workers also most likely to lose pay as a result of the current pandemic**, Resolution Foundation, *The effects of the coronavirus crisis on workers*, <https://www.resolutionfoundation.org/publications/the-effects-of-the-coronavirus-crisis-on-workers/>
9. **Older people are a group most likely to lose pay as a result of COVID19**, Resolution Foundation, *Britain experiencing a U-shaped living standards crisis*, <https://www.resolutionfoundation.org/press-releases/britain-experiencing-a-u-shaped-living-standards-crisis-with-young-and-older-workers-most-likely-to-have-lost-work-or-had-their-earnings-reduced/>
10. **The average wage premium associated with having digital skills is also between 3% and 10% of annual earnings**, Good Things Foundation, *The economic impact of digital inclusion in the UK*, [https://www.goodthingsfoundation.org/sites/default/files/research-publications/the\\_economic\\_impact\\_of\\_digital\\_inclusion\\_in\\_the\\_uk\\_final\\_submission\\_stc\\_0.pdf](https://www.goodthingsfoundation.org/sites/default/files/research-publications/the_economic_impact_of_digital_inclusion_in_the_uk_final_submission_stc_0.pdf)
11. **Over a million children have not had adequate access to devices during lockdown**, Lloyds Bank, *Lloyds Bank UK Consumer Digital Index 2020*, <https://www.lloydsbank.com/banking-with-us/whats-happening/consumer-digital-index.html>
12. **12% of young people facing challenges to completing their schoolwork due to a lack of digital devices at home**, Nominet Trust, *Digital Access For All Feb 2019 report*, <https://www.nominet.uk/digital-access-for-all-launches-to-help-solve-problem-of-digital-exclusion/>
13. **There are 5.1 million low-skilled people competing for only 2 million low-skilled jobs, and a lack of qualified workers to fill high-skilled jobs**, Local Government Association, *Centralised skills system could leave six million people behind by 2030*, <https://www.local.gov.uk/centralised-skills-system-could-leave-six-million-people-behind-2030>

- 14. Predominantly offline households spend an average of £560 more per year on shopping and utility bills, compared to families which use the internet to compare prices and access better deals, Government Digital Inclusion Strategy,**
